# Schedule ideas for trip

(Once we are in Nicaragua, we will have a daily schedule) However things are subject to change)

1. We will be going to all 4 of our schools -Managua, Karen Jolley, Las Maderas and Ometepe) to minister, feed the students a hot meal, pass out Care boxes, pray for them, etc.

\*The Managua school is our main campus. We stay in Managua at a hotel in the capital most of the trip. The Las Maderas School is about 1 hour and 30 min. from Managua. We will go there and stay all day ministering at the school. We will also go to the community to visit a lot of the homes that were built by Andrew Wommack's and our partners. We will spend time with the families and praying for their needs and blessing them with an offering and food.

\*\*The Ometepe School is 2 1/2 hours by bus and 1 hour 15 min. by boat. We will go to the Island to stay either 1 or 2 nights. We will minister at the school and also go to many communities to do street meetings for a lot of poor and needy people. Our plans are to have a Pastors/Leaders meeting on the Island one of the days. We can have 3-4 of the students share the Word for about 15 min. each. We will pray for them and give them all Andrew Wommack Books in Spanish and feed them a hot meal.

2. We will go to the Women's Prison to minister and bless them with a care bag. We can have 3-4 students or team members give their testimonies or share a Word for about 10-15 min. each. We will pray for them to receive the Holy Spirit and for Healings.

3. We will go to different cities to do street ministry--do dramas, dance, puppets, preach, pass out toys, food, pray for people, etc.

4. During our trip we will spend a few hours bagging up bags of food for street ministry.

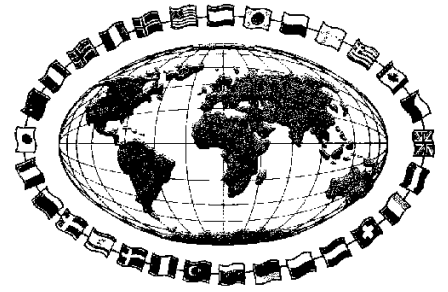

5. We will have at least 1 church service at our main church--preaching, praying, etc.

6. We ship shoes at Christmas. We have to wash the children's feet and pray over them before we give them their new shoes. So we will be washing feet of hundreds of children and adults to bless them with shoes. But it is really awesome to wash and spend time with them before they receive the new shoes.\*\*This is just some of the things we will be doing on our trip. We will have a complete schedule once we arrive in Nicaragua.
